

**October Supply List:** Beginning/Intermediate Watercolor : Barbara Di Martini, MFA  
Email: [barbdimart1@charter.net](mailto:barbdimart1@charter.net) Text: 1(585)752-3447)

I RECOMMEND TUBES OF PAINT RATHER THAN DRIED PANS OF PAINT. BUT, IF YOU ALREADY HAVE PAINTS, ETC., BRING WHATEVER YOU HAVE, INCLUDING ANY PAINTINGS YOU MAY HAVE STARTED/WANT CRITIQUED

### **Very Basic Group of Watercolors**

1. Aurelian yellow, (considered Neutral temperature)
2. Cobalt Blue, (also Neutral temp)
3. Rose Madder Genuine( Neutral temperature)
4. Burnt Siena ( Warm temperature -earth pigment)
5. Sepia (Cool temp. earth pigment)

I recommend that students have these colors if possible.

### **Expanded List of Watercolors:**

1. Cadmium Red, (temp. Warm)
2. Alizarin Crimson (temp. Cool)
3. Antwerp Blue (temperature Cool)
4. Ultra Marine Blue (temp. Warm)
5. Cadmium Yellow (temp. Warm)
6. Burnt Umber ( warm)

\*All paints have a temperature bias. Ex. There are cool blues and warm blues.

### **Brushes:**

1. # 6 and # 8 round with a nice point when wet
2. 1/2 inch flat wash (has longer bristles than the width of brush)
3. 1/4 inch bright (has bristles as long as the width of brush)

**Paper: acid free, cotton rag: Arches 140CP**

[Bonnet House will supply the watercolor paper! For free!](#)

### **Miscellaneous:**

- 3 containers for water, (old plastic containers from potato salad, etc)
- A bar of hand soap or Master's Brush cleaning soap
- Tissues, paper towels or a clean rag/towel. (old white towel. Saves trees?)
- 4 or more (8) small white bowls or dishes for mixing paint. (Nut or soy sauce dishes are perfect size)
- a Plexiglas support for paper (Home Depot sells "window panes") 11'X15' is good size. Other supports are fine, but they are often heavier to carry to class.
- a palette, white porcelain plate or butcher tray(at art supply stores) for mixing colors.
- a white eraser ( best results with watercolor paper)
- HB pencil. ( a #2ph is perfect. Not too soft and not too hard)
- folder for hand-outs (optional)
- white artists tape (for attaching paper to the support)
- Spray bottle for water(dollar store orMichael's)THIS IS AN IMPORTANT TOOL.
