Include how the lesson will correlate to their curriculum.	<b>CHOOSE ONE:</b> K-2 3-5 6-8 9-10 11-12	<b>CHOOSE ONE:</b> Art English Lang Arts Health Ed Math Music Science Social Studies Social/Behavioral STEM World Language	EX: Students will need a pencil, colored paper, and tape.
9/12/2023	Treasure Island: Maps, Pirates & Bonnet House Museum	9:00am	9:30am	Explore People, Places and Things while using a Compass to locate Bonnet House Museum on a colorful Map!	K-2	Math	Registered participants will receive an email with the reproducible Map Template
9/12/2023	Treasure Island: Maps, Pirates & Bonnet House Museum	9:45am	10:30am	Explore treasured Collections, a Grid Map, Map Key & Compass Rose to navigate our Bonnet House barrier island!	3-5	Math	Registered participants will receive an email with the reproducible Map Template
9/14/2023	Time Travel Florida: Spanish Explorers	9:00am	9:45am	How did Florida get its name? Who were the Explorers from	K-2	Social Studies	Registered participants will receive an email with the

				across the Sea who called themselves Conquistadors?			reproducible Timeline handout
9/14/2023	Time Travel Florida: Spanish Explorers	9:45am	10:30am	Travel with Conquistadors & historic Expeditions along the South Florida Coast!	3-5	Social Studies	Registered participants will receive an email with the reproducible Timeline handout
9/19/2023	Time Travel Florida: Spanish Explorers	9:00am	9:30am	How did Florida get its name? Who were the Explorers from across the Sea who called themselves Conquistadors?	K-2	Social Studies	Registered participants will receive an email with the reproducible Timeline handout
9/19/2023	Time Travel Florida: Spanish Explorers	9:45am	10:30am	Travel with Conquistadors & historic Expeditions along the South Florida Coast!	3-5	Social Studies	Registered participants will receive an email with the reproducible Timeline handout
9/21/2023	Treasure Island: Maps, Pirates & Bonnet House Museum	9:00am	9:30am	Explore People, Places and Things while using a Compass to locate Bonnet House Museum on a colorful Map!	K-2	Math	Registered participants will receive an email with the reproducible Map Template
9/21/2023	Treasure Island: Maps, Pirates & Bonnet House Museum	9:45am	10:30am	Explore treasured Collections, a Grid Map, Map Key & Compass Rose to navigate our Bonnet House barrier island!	3-5	Math	Registered participants will receive an email with the reproducible Map Template
9/26/2023	Dig It! Spanish Artifacts	9:00am	9:30am	Discover Archaeology and uncover hidden objects on the Bonnet House barrier island!	K-2	Science	Registered participants will receive an email with the reproducible Artifact Template
9/26/2023	Dig It! Spanish Artifacts	9:45am	10:30am	Interpret archaeological artifacts discovered inside a hidden Mound on the Bonnet House barrier island!	3-5	Science	Registered participants will receive an email with the reproducible Artifact Template
9/28/2023	Dig It! Spanish Artifacts	9:00am	9:30am	Discover Archaeology and uncover hidden objects on the Bonnet House barrier island!	K-2	Science	Registered participants will receive an email with the reproducible Artifact Template
9/28/2023	Dig It! Spanish Artifacts	9:45am	10:30am	Interpret archaeological artifacts discovered inside a hidden Mound on the Bonnet	3-5	Science	Registered participants will receive an email with the reproducible Artifact Template

				House barrier island!			
10/03/2023	King Tides & Currents	9:00am	9:30am	Row, row, row your boat! Learn about Tides & Currents along the shores of Bonnet House.	K-2	Science	Registered participants will receive an email with the reproducible Ocean Current Template
10/03/2023	King Tides & Currents	9:45am	10:30am	Calling all land dwellers! Learn about Climate, Tides & Currents along the shores of Bonnet House.	3-5	Science	Registered participants will receive an email with the reproducible Ocean Current Template
10/05/2023	Time Travel Florida: Spanish Explorers	9:00a	9:30a	How did Florida get its name? Who were the Explorers from across the Sea who called themselves Conquistadors?	K-2	Social Studies	Registered participants will receive an email with the reproducible Timeline handout
10/05/2023	Time Travel Florida: Spanish Explorers	9:45a	10:30a	Travel with Conquistadors & historic Expeditions along the South Florida Coast!	3-5	Social Studies	Registered participants will receive an email with the reproducible Timeline handout
10/10/2023	Time Travel Florida: Native People	9:00am	9:30am	Travel back to the beginning and meet South Florida's Indigenous People! Design "binoculars" and a colorful Timeline!	K-2	Social Studies	Registered participants will receive an email with the reproducible Binocular-Timeline Template
10/10/2023	Time Travel Florida: Native People	9:45am	10:30am	Travel Rewind! Meet South Florida's Indigenous People! Design a Timeline for further investigation.	3-5	Social Studies	Registered participants will receive an email with the reproducible Timeline Template
10/12/2023	Dig It! Tequesta Artifacts	9:00am	9:30am	The First Floridians - Search through ancient artifacts to see how the Tequesta lived on the Bonnet House barrier island!	K-2	Science	Registered participants will receive an email with the reproducible Artifact Template
10/12/2023	Dig It! Tequesta Artifacts	9:45am	10:30am	The First Floridians - Search through ancient artifacts to see how the Tequesta lived on the Bonnet House barrier island!	3-5	Science	Registered participants will receive an email with the reproducible Artifact Template

10/17/2023	Dig It! Tequesta Artifacts	9:00a	9:30a	The First Floridians - Search through ancient artifacts to see how the Tequesta lived on the Bonnet House barrier island!	K-2	Science	Registered participants will receive an email with the reproducible Artifact Template
10/17/2023	Dig It! Tequesta Artifacts	9:45a	10:30a	The First Floridians - Search through ancient artifacts to see how the Tequesta lived on the Bonnet House barrier island!	3-5	Science	Registered participants will receive an email with the reproducible Artifact Template
10/19/2023	Time Travel Florida: Bonnet House Begins	9:00am	9:30am	Family History Month - 100 Years Ago, Bonnet House was built. Meet the Birch & Bartlett families and their Bonnet House Community!	K-2	Social Studies	Registered participants will receive an email with the reproducible My Community Template
10/19/2023	Time Travel Florida: Bonnet House Begins	9:45am	10:30am	Family History Month - 100 Years Ago, Bonnet House was built. Meet the Birch & Bartlett families and their Bonnet House Community!	3-5	Social Studies	Registered participants will receive an email with the reproducible My Community Template
11/02/2023	Food Chains & Food Webs	9:00am	9:30am	Learn about a simple Food Chain and draw a Food Web from the living things found at Bonnet House!	K-2	Science	Registered participants will receive an email with the reproducible Template
11/02/2023	Food Chains & Food Webs	9:45am	10:30am	Identify the Food Web on the Bonnet House barrier island and diagram a Food Chain for each of our ecosystems!	3-5	Science	Registered participants will receive an email with the reproducible Template
11/09/2023	Food Forests of Native Americans	9:00am		How did South Florida's native tribes eat breakfast? First, they had to find their food!	K-2	Science	Registered participants will receive an email with the reproducible Template
11/09/2023	Food Forests of Native Americans	9:45am		Sustainable farming started with Indigenous People! Did the Tequesta tribe farm or hunt here in South Florida?	3-5	Science	Registered participants will receive an email with the reproducible Template

11/14/2023	Food Forests of Native Americans	9:00am	9:30am	How did South Florida's native tribes eat breakfast? First, they had to find their food!	K-2	Science	Registered participants will receive an email with the reproducible Template
11/14/2023	Food Forests of Native Americans	9:45am	10:30am	Sustainable farming started with Indigenous People! Did the Tequesta tribe farm or hunt here in South Florida?	3-5	Science	Registered participants will receive an email with the reproducible Template
11/16/2023	Florida's Endangered Wildlife & Bison Day	9:00am	9:30am	Take a virtual hike alongside Florida's Endangered Wildlife trail and discover huge Bison on the Prairie in Central Florida!	K-2	Social Studies	Registered participants will receive an email with the reproducible Florida Endangered Wildlife Template
11/16/2023	Florida's Endangered Wildlife & Bison Day	9:45am	10:30am	Follow the trail of Florida's Endangered Wildlife with our Nation's First National Wildlife Refuge. See huge Bison on the Prairie in Central Florida!	3-5	Social Studies	Registered participants will receive an email with the reproducible Florida Endangered Wildlife Template
11/28/2023	Hammock Walk & Nature Writing	9:00am	9:30am	Take a Virtual Walk through the Bonnet House Hardwood Hammock, then write a special Poem using Nature as the Subject!	K-2	English Lang Arts	Registered participants will receive an email with the reproducible Writing Template
11/28/2023	Hammock Walk & Nature Writing	9:45am	10:30am	Take a Virtual Walk through the Bonnet House Hardwood Hammock. Discuss Non-Fiction vs Fiction Writing, then compose a Poem or Essay for Nature!	3-5	English Lang Arts	Registered participants will receive an email with the reproducible Writing Template
11/30/2023	Mangroves All Around Us	9:00am	9:30am	What is a Mangrove? Explore Ecosystems & their Coastal Friends at Bonnet House!	K-2	Science	Registered participants will receive an email with the reproducible Mangrove Guide
11/30/2023	Mangroves All Around Us	9:45am	10:30am	Our Bonnet House Mangrove is one large nursery to 70% of	3-5	Science	Registered participants will receive an email with the

				ocean wildlife. Observe the diversity of this tropical coastal community and learn why it needs to be protected!			reproducible Mangrove Guide
12/05/2023	Time Travel Florida: Pioneers	9:00am	9:30am	Learn about Florida's earliest Settlers who were brave enough to start a new life in a wild land.	K-2	History	Registered participants will receive an email with the reproducible handout
12/05/2023	Time Travel Florida: Pioneers	9:45am	10:30am	Learn about Pioneer Living! A dangerous prospect for many that included Seminole Indian Wars.	3-5	History	Registered participants will receive an email with the reproducible handout
12/07/2023	Lighthouses, Barefoot Mailmen, & House of Refuge	9:00am	9:30am	How did people survive a shipwreck? Who walked for six days to deliver mail each week? Students discover a few brave people and their unique jobs!	K-2	History	Registered participants will receive an email with the reproducible handout
12/07/2023	Lighthouses, Barefoot Mailmen, & House of Refuge	9:45am	10:30am	How did people survive a shipwreck? Who walked for six days to deliver mail each week? Students discover a few brave people and their unique jobs!	3-5	History	Registered participants will receive an email with the reproducible handout
12/12/2023	Florida's Natural Resources	9:00am	9:30am	Why is Florida so special that people want to live here? What are Natural Resources and how many do we have?	K-2	History	Registered participants will receive an email with the reproducible handout
12/12/2023	Florida's Natural Resources	9:45am	10:30am	Florida's Natural Resources have become world renown and created a Supply & Demand chain for Business and Tourism! What are our Natural Resources and how can we protect them?	3-5	History	Registered participants will receive an email with the reproducible handout

12/15/2023	Math Patterns BINGO	9:00am	9:30am	Fun with Shapes & Patterns! Play BINGO with other Classes!	K-2	Math	Registered participants will receive an email with the Bingo reproducible Template
12/15/2023	Math Patterns BINGO	9:45am	10:30am	Parallel & Perpendicular, Symmetry & Reflection! Play BINGO with other Classes!	3-5	Math	Registered participants will receive an email with the Bingo reproducible Template
01/09/2024	Author, Author <i>Mitchell's Magical Day on the New River</i>	9:00am	9:30am	Author Bill Sydnor grew up in Fort Lauderdale and knows a lot about History! Learn about the origins of Fort Lauderdale from Time Traveler Mitchell in this book.	K-2	History	Familiarity with the Book may be helpful: <i>Mitchell's Magical Day on the New River</i> by Bill Sydnor
01/09/2024	Author, Author <i>Mitchell's Magical Day on the New River</i>	9:45am	10:30am	Author Bill Sydnor grew up in Fort Lauderdale and knows a lot about History! Learn about the origins of Fort Lauderdale from Time Traveler Mitchell in this book.	3-5	History	Familiarity with the Book may be helpful: <i>Mitchell's Magical Day on the New River</i> by Bill Sydnor
01/11/2024	Feather Wars, Fashion REgret	9:00am	9:30am	The Snowy Egret has a story to tell about people who wanted to use them for a hat!	K-2	Science, History, Social Studies	Registered participants will receive an email with the Endangered Species Game
01/11/2024	Feather Wars, Fashion REgret	9:45am	10:30am	How can Students make choices about Products that they buy? The History behind saving a Species involved a favorite Hat!	3-5	Science, History, Social Studies	Registered participants will receive an email with the Endangered Species Game
01/23/2024	Mr. Birch's Stars	9:00am	9:30am	Mr. Birch loved Astronomy. Study the stars as he did from the Bonnet House beach.	K-2	Science	Registered participants will receive an email with the reproducible Astronomy handout
01/23/2024	Mr. Birch's Stars	9:45am	10:30am	Mr. Birch loved Astronomy & watching the stars from the beach. Compare the night sky	3-5	Science	Registered participants will receive an email with the reproducible Astronomy

				from 1923 with the night sky in 2023 from Bonnet House.			handout
01/25/2024	Florida Business Developers & the Flagler Railroad	9:00am	9:30am	How could a Train make Florida so popular? Let's find out!	K-2	Florida History	
01/25/2024	Florida Business Developers & the Flagler Railroad	9:45am	10:30am	Business and Tourism populated Florida after Henry Flagler's Railroad changed pioneer life forever!	3-5	Florida History	
02/06/2024	Time Travel Florida: African American Community	9:00am	9:30am	Learn about Florida's Black Pioneers and their Historic Fort Lauderdale Community	K-2	Florida History	
02/06/2024	Time Travel Florida: African American Community	9:45am	10:30am	Learn about Florida's Black Pioneers and their Historic Fort Lauderdale Community	3-5	Florida History	
02/08/2024	Mural Art & Community Storytelling	9:00am	9:30am	Mr. Bartlett loved to Paint walls, ceilings & floors! Students learn how to tell a story using Art so they can tell their story, too!	K-2	Art, English Language Arts	Registered participants will receive an email with the reproducible handout
02/08/2024	Mural Art & Community Storytelling	9:45am	10:30am	Mural Art tells powerful Stories. Frederic Bartlett loved to Paint walls, ceilings & floors! Students see his work at Bonnet House then compare how the South Florida Community expresses themselves through Mural Art!	3-5	Art, English Language Arts	Registered participants will receive an email with the reproducible handout
02/20/2024	Time Travel Florida: Inventors & Inventions	9:00a	9:30a	What is an Invention? Learn about People who made Things work better in Florida!	K-2	Florida History	Registered participants will receive an email with the reproducible handout
02/20/2024	Time Travel Florida: Inventors & Inventions	9:45a	10:30a	Inventions that made working and living in Florida easier. Some may surprise you!	3-5	Florida History	Registered participants will receive an email with the reproducible handout

02/22/2024	Voices of Music & Poetry	9:00am	9:30am	Music & Poetry featuring Helen Birch & Black Americans from Florida. Students write their own music or poems!	K-2	English Lang Arts	Registered participants will receive an email with the reproducible handout
02/22/2024	Voices of Music & Poetry	9:45am	10:30am	Music & Poetry featuring Helen Birch & Black Americans from Florida. Students write their own music or poems!	3-5	English Lang Arts	Registered participants will receive an email with the reproducible handout
02/27/2024	All About SEEDS	9:00am	9:30am	Students discover Parts of a Seed, Soil, and Fun Facts about the Bonnet House 35-acre garden. Spoiler alert: Some Seeds arrived by Sea!	K-2	Science	Registered participants will receive an email with the reproducible handout
02/27/2024	All About SEEDS	9:45am	10:30am	Bonnet House has 35-acres of Plants and Seeds adapted and propagated to multiple habitats. We'll examine Sea Beans - Seeds that arrived by ocean current!	3-5	Science	Registered participants will receive an email with the reproducible handout
02/29/2024	Everglades River of Grass	9:00am	9:30am	Do you know how a thirsty Tree once drank the Everglades? Students compare the effects of Native and Invasive Species on the Bonnet House barrier island!	K-2	Science, Florida History	Registered participants will receive an email with the reproducible handout
02/29/2024	Everglades River of Grass	9:45am	10:30am	Do you know how a thirsty Tree once drank the Everglades? Students compare the effects of Native and Invasive Species on the Bonnet House barrier island!	3-5	Science, Florida History	Registered participants will receive an email with the reproducible handout
03/05/2024	Florida Women's History	9:00am	9:30am	Women in Fort Lauderdale of historical interest - Evelyn	K-2	Florida History	Registered participants will receive an email with the

				Bartlett, Helen Birch, Mary Mcleod Bethune, Marjory Stoneman Douglas, Irene Hart, Betty Mae Tiger Jumper, Zora Neale Hurston, Ivy Stranahan			reproducible handout
03/05/2024	Florida Women's History	9:45am	10:30am	Women in Fort Lauderdale of historical interest - Evelyn Bartlett, Helen Birch, Mary Mcleod Bethune, Marjory Stoneman Douglas, Irene Hart, Betty Mae Tiger Jumper, Zora Neale Hurston, Ivy Stranahan	3-5	Florida History	Registered participants will receive an email with the reproducible handout
03/07/2024	Butterfly Life Cycle & Host Plants	9:00am	9:30am	Discover the unique relationship between our Florida Native Atala Butterfly and Coontie Plant. Watch a Monarch caterpillar become a butterfly!	K-2	Science	Registered participants will receive an email with the reproducible handout
03/07/2024	Butterfly Life Cycle & Host Plants	9:45am	10:30am	Discover the unique relationship between our Florida Native Atala Butterfly and Coontie Plant. Watch a Monarch caterpillar become a butterfly!	3-5	Science	Registered participants will receive an email with the reproducible handout
03/12/2024	K9 & Mounted Police Day	9:00am	9:30am	Meet our four-legged Officers serving in the Fort Lauderdale Law Enforcement K9 & Mounted Units at Bonnet House!	K-2	Social Studies	Registered participants will receive an email with the reproducible handout
03/12/2024	K9 & Mounted Police Day	9:45am	10:30am	Meet our four-legged Officers serving in the Fort Lauderdale Law Enforcement K9 & Mounted Units at Bonnet	3-5	Social Studies	Registered participants will receive an email with the reproducible handout

				House!			
03/14/2024	Water Lab: Salt, Brackish & Fresh	9:00am	9:30am	All about WATER on the Bonnet House barrier island. Which one is too salty? Which one is sweet?	K-2	STEM	Registered participants will receive an email with the instructions for a Water Lab. A Hydrometer is useful for demonstration inside the classroom.
03/14/2024	Water Lab: Salt, Brackish & Fresh	9:45am	10:30am	Identify three types of water on the Bonnet House barrier island. Perform a Virtual STEM Water Lab to differentiate habitats between Saltwater, Freshwater and Brackish water!	3-5	STEM	Registered participants will receive an email with the instructions for a Water Lab. A Hydrometer is useful for demonstration inside the classroom.
03/19/2024	Garden Pollinators	9:00am	9:30am	Butterflies, Bees, Hummingbirds, Moths and Bats work hard to feed us. What is Pollination?	K-2	Science	Registered participants will receive an email with the reproducible handout
03/19/2024	Garden Pollinators	9:45am	10:30am	Three-fourths of the world's flowering Plants and 35% of our food crops require Pollinators. Which fave foods depend on them and how does this all work?	3-5	Science	Registered participants will receive an email with the reproducible handout
03/21/2024	King Tides & Climate	9:00a	9:30a	Rain, rain go away! Learn how the Sun & Moon affect our Tides	K-2	Science	Registered participants will receive an email with the Moon Phases reproducible handout
03/21/2024	King Tides & Climate	9:45a	10:30a	What does Gravity, the Sun & Moon have to do with our Tides? Learn how rising sea levels can affect our coastline!	3-5	Science	Registered participants will receive an email with the Moon Phases reproducible handout
04/09/2024	Color Lab & Color Wheel	9:00a	9:30a	Construct a Color Wheel to illustrate how Primary &	K-2	Art, Math	Registered participants will receive an email with the

				Secondary colors are made. Students see the colors come alive through images of the whimsical Bonnet House courtyard!			reproducible Color Wheel Template
04/09/2024	Color Lab & Color Wheel	9:45a	10:30a	Complete a Color Lab to construct a Color Wheel. Illustrate art vocabulary Primary, Secondary, Hue and Tone. Students see the colors expressed through images of the Bonnet House whimsical Courtyard.	3-5	Art, Math	Registered participants will receive an email with the reproducible Color Wheel Template
04/11/2024	Mangroves All Around Us	9:00am	9:30am	What is a Mangrove? Explore Ecosystems & their Coastal Friends at Bonnet House!	K-2	Science	Registered participants will receive an email with the reproducible Mangrove Guide
04/11/2024	Mangroves All Around Us	9:45am	10:30am	Our Bonnet House Mangrove is one large nursery to 70% of ocean wildlife. Observe the diversity of this tropical coastal community and learn why it needs to be protected!	3-5	Science	Registered participants will receive an email with the reproducible Mangrove Guide
04/16/2024	Hammock Walk & Nature Writing - Earth Day Edition	9:00am	9:30am	Walk through the Bonnet House Hardwood Hammock. How many descriptive words can you find to honor our Earth?	K-2	English Lang Arts	Registered participants will receive an email with the reproducible Writing Template
04/16/2024	Hammock Walk & Nature Writing - Earth Day Edition	9:45am	10:30am	Take a Virtual Walk through the Bonnet House Hardwood Hammock. Use Literary Elements in honoring our Earth!	3-5	English Lang Arts	Registered participants will receive an email with the reproducible Green Connect Project Template
04/18/2024	Green Connect Stewardship	9:00a	9:30a	What does your Dream	K-2	STEM	Registered participants will

	Summer Design Project Part A			Summer look like? Students are challenged to use their Design Skills over the Summer to design a Stewardship Project of their own.			receive an email with the reproducible Green Connect Project Template
04/18/2024	Green Connect Stewardship Summer Design Project Part A	9:45a	10:30a	Sustainable Living in a Summer Environment. Students are challenged to use their Design Skills over the Summer to design a Stewardship Project of their own.	3-5	STEM	Registered participants will receive an email with the reproducible Green Connect Project Template
04/23/2024	Green Connect Stewardship Summer Design Project Part B	9:00a	9:30a	Sustainable Living in a Summer Environment. Students discuss their Project Proposal & Design for feedback about their Summer Stewardship Project	K-2	STEM	Registered participants will receive an email with the reproducible Green Connect Project Template
04/23/2024	Green Connect Stewardship Summer Design Project Part B	9:45a	10:30a	Sustainable Living in a Summer Environment. Students discuss their Project Proposal & Design for feedback about their Summer Stewardship Project	3-5	STEM	Registered participants will receive an email with the reproducible Green Connect Project Template
04/25/2024	Author Bill Sydnor & Mitchell's <i>Magical Day at Bonnet House</i>	9:00am	9:30am	Bill Sydnor grew up in Fort Lauderdale and knows a lot about History! Learn about Life during the early days at Bonnet House from Time Traveler Mitchell in his book.	K-2	English Lang Arts	Familiarity with the Book may be helpful: <i>Mitchell's Magical Day at Historic Bonnet House</i> by Bill Sydnor
04/25/2024	Author Bill Sydnor & Mitchell's <i>Magical Day at Bonnet House</i>	9:45am	10:30am	Bill Sydnor grew up in Fort Lauderdale and knows a lot about History! Learn about Life during the early days at Bonnet House with a game of Historical Trivia from his book.	3-5	English Lang Arts	Familiarity with the Book may be helpful: <i>Mitchell's Magical Day at Historic Bonnet House</i> by Bill Sydnor

05/02/2024	Orchids & Origami	9:00am	9:30am	Construct tissue paper orchids! Learn about our famous Bonnet House Orchid Collection while hearing a Story about another famous Orchid – the rare Ghost Orchid of the Everglades. Great Mother’s Day Gift!	K-2	STEM	Colorful Tissue Paper Squares & Green Pipe Cleaners become beautiful Orchids! We will construct these together in class. Templates and instructions will be provided in the email prior to the Lesson.
05/02/2024	Orchids & Origami	9:45am	10:30am	Construct a 3D Orchid Model using Paper! Learn about our famous Bonnet House Orchid Collection while hearing a Story about another famous Orchid – the rare Ghost Orchid of the Everglades. Great Mother’s Day Gift!	3-5	STEM	Origami Squares or Square Paper (varied colors) suitable for folding. We will construct these together in class. Templates and instructions will be provided in the email prior to the Lesson.
05/07/2024	Shells and Mollusks	9:00a	9:30a	Can you count all the shells in our Bonnet House Shell Museum? Find out why an Octopus doesn't need a shell!	K-2	Math, Science	
05/07/2024	Shells and Mollusks	9:45a	10:30a	Not all Mollusks have Shells! Learn from the inside out about one of the most diverse group of invertebrates in the animal kingdom living along the shores of Bonnet House.	3-5	Math, Science	
05/09/2024	Feather Wars, Fashion REgret	9:00am	9:30am	The Snowy Egret has a story to tell about people who wanted to use them for a hat!	K-2	History	Registered participants will receive an email with Instructions for an Endangered Species Game
05/09/2024	Feather Wars, Fashion REgret	9:45am	10:30am	The Snowy Egret has a story to tell about people who wanted to use them for a hat!	3-5	History	Registered participants will receive an email with Instructions for an Endangered

							Species Game
05/14/2024	Math Spirals & Fibonacci in Nature	9:00am	9:30am	Spirals, Patterns & Fibonacci in Nature! Students design a Spiral Project to take home!	K-2	Art, Math	Registered participants will receive Instructions to make a Spiral Project
05/14/2024	Math Spirals & Fibonacci in Nature	9:45am	10:30am	Spirals, Patterns & Fibonacci in Nature! Students design a Spiral Project to take home!	3-5	Art, Math	Registered participants will receive Instructions to make a Spiral Project
05/16/2024	Florida's Endangered Wildlife	9:00am	9:30am	Why should we protect our precious Florida Wildlife?	K-2	Science	
05/16/2024	Florida's Endangered Wildlife	9:45am	10:30am	Why should we protect our precious Florida Wildlife?	3-5	Science	
05/21/2024	Grow a Summer Garden & Design a Terrarium!	9:00am	9:30am	Grow a Garden this Summer - Big or Small, Gardening is Fun! Learn about making Summer Terrariums!	K-2	Science	Registered participants will receive an email with the reproducible handout to make a Terrarium to care for over the Summer
05/21/2024	Grow a Summer Garden & Design a Terrarium!	9:45am	10:30am	Healthy Eating, Composting, & Growing a Garden featuring our own Bonnet House Fruit Grove. Learn about making Summer Terrariums!	3-5	Science	Registered participants will receive an email with the reproducible handout to make a Terrarium to care for over the Summer
END OF YEAR
